

SUCCESS CRITERION 2.4.5 · LEVEL AA

Multiple Ways

“In a library I can ask at the desk, check the catalogue, or wander the shelves. Give me the same three on your site.”

Who this helps: Blindness, Cognitive Impairments

SUCCESS CRITERION 2.4.5 · LEVEL AA

Multiple Ways

More than one way is available to locate a web page within a set of web pages except where the web page is the result of, or a step in, a process.

Principle 2: Operable

Guideline 2.4: Navigable

What each role can do

Product manager

Incorporate multiple navigation options, such as site maps, search functions, and breadcrumb trails.

Designer

Design the interface to offer various pathways to the same information.

Developer

Implement multiple navigational mechanisms like site maps, indexes, and search functionalities.

Tester

Test to ensure there are multiple, functional ways to navigate to important content.

Once it is fixed

> “Search, the site map, or a wander through the menus: I found my page three ways. Thank you!”

WCAG Quotes

Every WCAG 2.2 success criterion, told by the person it helps.

mpaiva.com/wcag-quotes/2-4-5-multiple-ways

The quotes are written to illustrate the criterion. They are not testimonials from real people.
